**Want To Save Money And Time!!!!**

## Introducing F-DAPI

- Data Analysis and Presentation Training/Workshops
- Personalized Data Analysis
- Help with Experimental Designing
- On-site Data Analysis and Presentation Camps and Workshops
- Special Tutorials and Lectures

## Why F-DAPI?

The power of flow cytometry cannot be appreciated with the data acquisition alone, but also requires correct data analysis and presentation. F-DAPI is one of its kind initiatives, where researchers will learn to change their data into publishable results.
